

design&deliver | government

design&deliver provides a range of creative and technical event production services, to produce unique and engaging experiences.

Whatever the brief, we are experts at finding customised solutions to complex challenges – sharing our knowledge, support and resources to turn your organisation’s vision into reality.

Why design&deliver?

We believe anything is possible and work tirelessly behind-the-scenes to devise tailor made services for indoor and outdoor events of any size.

We are experienced with the latest cutting-edge technology solutions and constantly keep abreast of global design trends.

Our project management processes ensure we deliver outstanding events on time, whilst respecting our clients' budgets.

- Tourism Queensland** - Autumn on James (via Haystac PR)
- Macedon Ranges Shire Council** - event production support, various

Petti McInnes
Festival Coordinator
 City of Kingston

“Design and deliver provide excellent preliminary planning, leading to quick and efficient bump in and out by a team who are efficient, approachable and professional at all times. Performers often go out of their way to tell me they were impressed by the sound quality. They cost slightly more than others, but the peace of mind knowing the job will be done without any added stress is well worth the investment.”
